Welcome Friends

On behalf of our Board of Directors, the staff, and gala team at Twin Lakes Food Bank, I want to thank you for joining us to support the Twin Lakes Food Bank's largest fundraiser of the year. This event is a true celebration of the mission at TLFB to share the love of God by mobilizing our community to provide food and support to the hungry in our community.

We continue to be amazed by the kindness of donors and are expectant for the collective acts of generosity tonight. Our goal is to exceed last year's \$266,000 result! You can help accomplish this through our Fund-a-Need and Online and Live Auctions to ensure that the services and programs, provided to our 3000+ guests experiencing food scarcity every month, stay strong.

Thank you for making this a memorable night, one that will allow our organization and beneficiaries to thrive. New and returning guests are coming to the food bank in unprecedented numbers due to the lingering impact of inflation; over the last two years we have experienced a 74% increase in individuals and families coming to us for food. We recognize that it is only with the contributions of individual donors, partner churches, local businesses, government, and volunteers that we can deliver on our mission to help the food insecure in our community. Thank you for your partnership with TLFB to provide nutritious food to our neighbors in need with the dignity and respect that they deserve.

Lisa Tuter, Executive Director

Freddie Silveria, Auctioneer

Freddie has lived in our region for over 30 years and he thanks you in advance for your support of Twin Lakes Food Bank.
